“What it all Means”

1. Did this series help you in seeing your faith as a rationally grounded faith? How so?
2. Do you think God could have made the prophecies easier and clearer? If God could do anything, why didn't He do that?
3. “In the end the connection with God's love is not a rational connection, it is a relational connection. And relational connections are always faith connections.” Why is knowing as a fact that God loves us unable to ground us in God's love?
4. John shared the idea that what it means to be human begins with being grounded in the love God has for me as a person. Also that we begin building everything real in our life from that foundation. Is believing in God's love really that important? If so, how do so many people do so well without knowing about it?
5. *We have come to know and have believed the love which God has for us. - I John 4:16
...the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself up for me. - Galatians 2:20*
Describe where you think you are in knowing about God's love and having faith in that love for you personally.
