

“Daniel’s 70 Weeks and the Day of the Cross”

February 21st, 2010

In a large group...

1. What have you investigated personally with regard to prophecy?

In small groups (4-6)...

Observation

2. Read Daniel 9: 24-27. What are these 70 “weeks” supposed to bring about?

Interpretation

3. Why is Peter’s sermon in Acts 2:14-24 so profound? What does he claim as common knowledge among his hearers? What role would a lunar eclipse on April 3rd, 33 A.D. have in this prophecy from Joel 2:28-32? (for more info see <http://www.bethlehemstar.net>)
4. Why is the temple destruction in 70 A.D. important to this prophecy? How might this detail fit in to Daniel’s 70 weeks and what does that say about the other objectives in the prophecy (see question 2)?

Application

5. Read 1 Peter 1:10-17. How should the revelation of fulfilled prophecy affect us?
