## Love Your Neighbor, Throw a Party

Neighboring (Luke 10:25-37) is like a spork: it can do two things at once. It gives us a straight-forward way to seek the welfare of our city and it opens up opportunities to share the gospel.

To continue with the food theme, being faithfully present in your neighborhood doesn't have to be some elaborate dish that you stress over. Keep things simple and tasty. For example, consider hosting or helping with a block party or ice cream social. Generally speaking, people like ice cream way more than a kale fritttata.

Think and pray about what you could do with and for your neighbors this summer. And with Neighborhood Night Out on Tuesday, **August 7**, that could be the perfect venue for your spork place settings.

Have an idea for a block party or want to make something happen for Neighborhood Night Out?

## TO OUR GUESTS:

Thanks for joining us! We are honored to have you with us and invite you to make yourself at home. Here are a few things you might want to know:

- Our **Guest Services** desk in the Lobby is designed to help you get more information about Summitview. Stop in to ask a question, pick up a welcome brochure or fill out a guest card to let us know you're here!
- **If you have children**, you are welcome to keep them with you during the service or they can take part in one of our many amazing children's classes (Nursery-Pre-K). There is also a room for **nursing mothers** in the Nursery, where there is a live video feed of the message so you won't miss it (women only, please). Stop by Guest Services for more information or to register your child for Sunday classes.
