Welcome the Stranger with a Meal

“... by your blood you ransomed people for God from every tribe and language and people and nation . . .” — Revelation 5:9

This year, more than 400 new international students will be attending Colorado State University. Many of these students have had limited (if any) exposure to Jesus, his followers and the gospel.

You can change that with a single meal.

At CSU's week-long International Orientation, international students will be matched with a Fort Collins family for a Community Welcome Dinner Monday, **August 13**.

These dinners help the international students feel a little more at home in a strange culture, and they give you an opportunity to develop a friendship with someone who might be interested in learning more about Jesus.

TO OUR GUESTS:

Thanks for joining us! We are honored to have you with us and invite you to make yourself at home. Here are a few things you might want to know:

- Our **Guest Services** desk in the Lobby is designed to help you get more information about Summitview. Stop in to ask a question, pick up a welcome brochure or fill out a guest card to let us know you're here!
- **If you have children**, you are welcome to keep them with you during the service or they can take part in one of our many amazing children's classes (Nursery-Pre-K). There is also a room for **nursing mothers** in the Nursery, where there is a live video feed of the message so you won't miss it (women only, please). Stop by Guest Services for more information or to register your child for Sunday classes.
