Page 1 (Print on Paper)

Thanks for downloading *Jesus is our Victory!*

Effect:

A stack of rubber banded cards are shown with the phrase "*Faith IS VICTORY*" written on them. The name of a participant is written between IS and VICTORY so that the card reads: "*Faith IS Mark's VICTORY*".

The stack is turned over and the card removed face down and handed to the participant. When it is turned over it reads: "*Jesus IS Mark's VICTORY*".

Presentation:

To Anyone:

Explain that we all want Victory in Life. And *Faith* is a type of victory. Even the bible tells us that our *Faith* is the Victory that overcomes the world (1 Jn 5:4). (Ask for the person's name and write it down between IS and Victory). Explain that Faith is your volunteer's personal victory over the world. But there are many forms of faith. Faith in money, Faith in good deeds. But there's only one form of faith that brings true true Victory and that is (have them turn the card over) faith in *Jesus Christ* who IS Himself our victory.

To Christians:

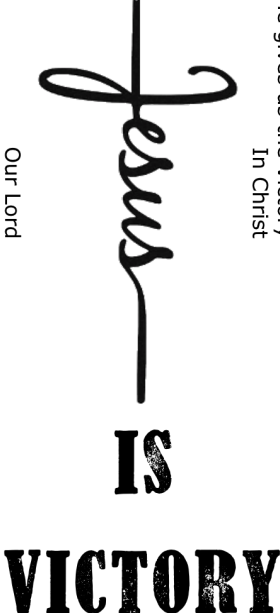

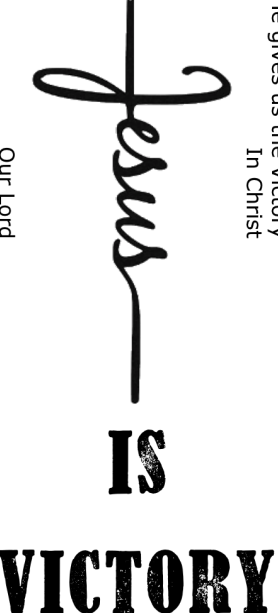

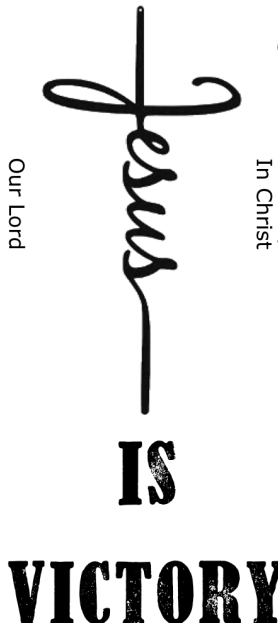

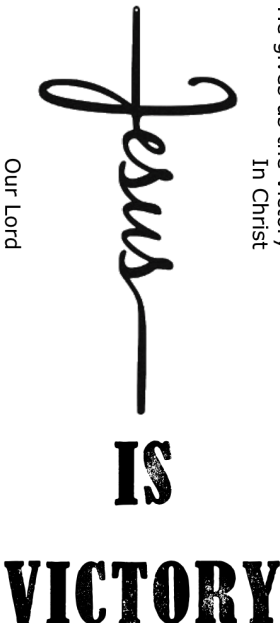

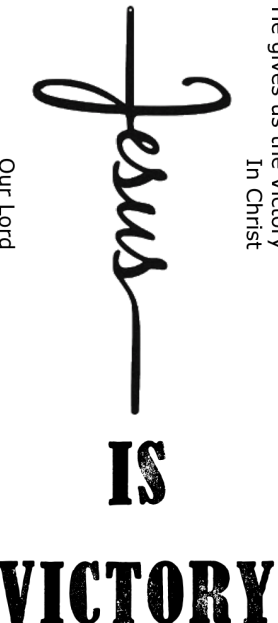

Share that "Jesus doesn't give us the victory." "Jesus IS our Victory!"

Secret:

A *Faith* card is cut in half and rubber-banded to the top of the stack of full length *Jesus* Cards. The participant's name is written on the *Jesus* card (underneath the 1/2 *Faith* card) and removed from underneath it to give away.
