Discussion Questions

1. When have you been in a situation where you felt like an outsider (whether inside or outside the United States)? What kind of culture shock did you experience?
2. How familiar are you with the exile period of Old Testament history? What are you looking forward to about this series?
3. Describe further what it must have been like for the Israelites when Babylon conquered Jerusalem.
4. Honestly, how much do you embrace the exile part of your Christian identity? In what ways or situations does it become clear? In what ways or situations do you become more assimilated into this world?
5. How would further embracing your exile identity change your life and mentality right now?
