### Discussion Questions

1. What has impressed you the most so far, about Nehemiah as a person?
2. What would it look like for you to “own and build your portion of the wall” regarding your local church in 21st century America? Are you standing in any gaps and repairing any breaches?
3. Do you agree with Packer’s quote that we modern Christians “lack certainty” in our mission?
4. What are the “breaches” or broken, weak, and vulnerable places of the Church today that are under attack? Do they affect our hearts to the degree they did Nehemiah’s? Why/why not?
5. In Isaiah 49:16, God says, “Your walls are ever before me.” What areas of your own life is God seeking to repair, shore up, and strengthen? How has he done that in the past?
6. Take a minute and pray for each other regarding those areas.
