ACTS OF GOD discussion questions

Discuss how each of today's four points might apply to your life:

1. What doors might God be opening right now in your life through hardship?
2. In what way might God have intentionally and strategically positioned you to be used for his purposes?
3. When have you seen God change a person (maybe it was yourself!) that seemed unchangeable? Is there somebody in your life right now that seems on the surface to be beyond God's reach?
4. What might need to be overcome in your heart to be able to minister in the way that God intends for you to minister?
