

HOPE FOR EVERY LOST AND WEARY SOUL discussion questions

- 1. We've all experienced dissonance and trial this year. It can be fatiguing! But we're still called to make disciples. When you consider sharing the gospel in this climate, how do you feel?
- 2. Words and deeds both matter. Why do we tend to emphasize just one or the other?
- 3. What idols do you see our current culture worshipping?
- 4. What narrative do you see your non-believing neighbors and coworkers believing?
- 5. Share a trial you're currently going through. Pray for strength for each other.
