## THE SECRET TO CHRISTIAN UNITY discussion questions

1. How important is Christian unity to the Lord, and why is it so hard to come by these days?
2. Do you feel like fellowship has ever been withheld from you by other Christians because of a non-gospel related conviction that you held?
3. How tight is your filter for fellowship when it comes to other believers who hold different doctrinal beliefs or practices from you?
4. How have you limited your freedoms and adjusted your speech, behavior, dress, or other things in order to not unnecessarily offend another believer's conscience?
5. How well do you understand the difference between biblical commands, principles, and preferences? Do you have a clear idea of what convictions are worth dying for, and which are not? How well do you live out the quote: "In essentials, unity. In non-essentials, liberty. In all things, charity"?
