THE HEART OF AN APOSTLE discussion questions

1. Ice Breaker: Describe the most embarrassing time you fell asleep in public.
2. Since the Fall, the entire physical world has been under a curse. Moderns Gnosticism is an attempt to transcend that condition. What ways have you seen this attempted?
3. Why do well-intentioned attempts to overcome sin in our lives sometimes result in even greater sin? (see Galatians 3:1-5) Have you ever experienced this?
4. What should we do when we know that the Bible says we are dead to sin, but we don't feel that way, since we're still greatly tempted?
5. Read Acts 20:24. How can we as Christians today attain that degree of selflessness and focus for our lives? If we seldom share the gospel, are we in danger of losing our grasp on what it actually is?
6. (Rev. 2:2-4) The Ephesian church guarded truth commendably, but over time, they lost their first love (Jesus). Have you experienced that? How does it happen? How can it be avoided?
