East Asia Long-term Missionaries	Nations	After years of very little access to spiritual truth, students in East Asia are hungry for the gospel. Tim and Julie Cavanaugh moved to Asia two years ago to minister to college students, and have been seeing remarkable receptivity and fruit.	\$1,000.00	\$500.00	\$500.00	\$2,000.00	7%
Central Asia Long-term Missionaries	Nations	Some of the most unreached peoples live in a cluster of countries in Central Asia. Emily Carr has chosen to move to a Central Asian country this coming year to minister among those lacking access to the gospel.	\$1,000.00	\$500.00	\$500.00	\$2,000.00	7%

International Student Ministry	Nations	Thousands of students from all over the world descend on our college campuses every year, often from very hard-to-reach places. Hongbo Du is currently raising support in order to minister to international college students on the CSU campus.	\$1,000.00	\$500.00	\$500.00	\$2,000.00	7%
Church Plant	Region	Northern Colorado is one of the fastest growing regions in the country. With so many people moving into not only Fort Collins, but especially the surrounding communities, we want to see churches multiplied to minister to these thousands of eternal souls. Roger Everhart will be spearheading a church planting effort to the neighboring town of Severance.	\$12,000.00	\$3,500.00	\$3,500.00	\$19,000.00	29%
Next Generation	City	The high school and college years are so pivotal and desperately need intentional investment and mentorship. Through strategic hires, we're excited to see more time and heart given to the discipleship of the next generation. Specifically, Sebastien Dekleva will be investing into our high school youth and Chris Shuey will be doing so with our campus ministry.	\$12,000.00	\$3,500.00	\$3,500.00	\$19,000.00	29%
