

MISSIONS 2021 THE DETAILS

DISCUSSION QUESTIONS

1. Read Matthew 28:18-20 and Romans 10:5-15. List and elaborate on everything that is implied to be important in the mission of the church. Is there anything in this passage that specifically challenges you in your own personal involvement in missions?
2. One of our initiatives in this missions campaign is to hire gospel workers in order to support the discipleship of the next generation. Why might it be important to focus resources on teenagers and young adults?
3. In hearing about a potential church plant to Severance, how did it strike you? Why is church planting important? In general, what do you think is important for a church plant to be successful, both for the plant itself and the sending church?
4. Summitview is supporting several people working overseas in places with little obvious gospel influence. Try to imagine what it would be like to change cultures in order to bring the gospel to those in need. What do you think would be most challenging? What kind of support do you think would be important for a missionary to receive from his or her sending church (in addition to financial support)?
