## APOLLOS AND PRISCILLA & AQUILA discussion questions

1. What stood out to you from the sermon?
2. “I’m convinced that many Christians live with a big gap in their understanding of what God has done for them. Most people understand that Jesus died so their sins can be forgiven, and most people understand that He died so they can have a future with Him in eternity, but I’ve found that few understand what Jesus has provided for them today.” - Paul Tripp

Share experiences of how being present in community has grown you in your gospel gaps. How about opportunities to help others grow in theirs?

3. Who is close enough in your life currently to point out your gospel gaps?
4. How can you freshly prioritize being proactive in community during this upcoming season? (In other words, what is the personal commitment to serve you made during the recent missions campaign)?
