DISCUSSION QUESTIONS

1. Jesus spoke of how money can easily enslave us (Matthew 6:24). When have you felt like money was your master? Was there anything that helped you to be free from its mastery?
2. When have you applied faith in matters related to money and seen God demonstrate his provision?
3. Read 2 Corinthians 9:6-15 and answer the following questions.
 - What does this passage reflect about the character of God?
 - What motivations do you see in this passage for financial giving?
 - Describe in your own words the attitude in your giving that this passage encourages.
4. From your understanding of the Bible, how would you summarize its teaching on the tithe?
5. What do you think God is currently impressing on your heart in the area of money and giving? Are there areas to surrender? Practical steps to take? Greater understanding to seek? Struggles to entrust?
6. For families: When it comes to instructing your kids on the use of money, what do you think you need to address?
