**Total Goal: \$60,000**

Missions Work	Sphere	Description	Tier 1	Tier 2	Tier 3	Total	Distribution if >\$50K raised
East Asia Long-term Missionaries	Nations	After years of very little access to spiritual truth, students in East Asia are hungry for the gospel. <b>Tim and Julie Cavanaugh</b> moved to Asia two years ago to minister to college students, and saw remarkable receptivity and fruit. Due to government opposition to the gospel, the Cavanaughs were forced to return to the States, but they still maintain a vibrant and expanding online ministry to students in Asia and all over the world.	\$1,000.00	\$500.00	\$500.00	<b>\$2,000.00</b>	0%
Central Asia Long-term Missionaries	Nations	Some of the most unreached peoples live in a cluster of countries in Central Asia. <b>Emily Carr</b> has chosen to move this past year to a Central Asian country and is working to minister to a very unreached people group with the gospel.	\$1,000.00	\$500.00	\$500.00	<b>\$2,000.00</b>	8%
Japan Long-Term Missionaries	Nations	We have been supporting missions work in Japan in different ways for several years. <b>Becky Keith</b> has been a missionary to Japan for the last three years and is continuing to minister there. <b>Dusty Lance</b> is also returning this Spring to Japan after a long delay due to COVID. They are both part of teams that are ministering to what could be considered the largest unreached people group in the world.	\$2,000.00	\$1,000.00	\$1,000.00	<b>\$4,000.00</b>	16%
Amsterdam Long-Term Missionaries (primarily to refugees)	Nations	<b>Patricia Van Engelen</b> (formerly Patricia Flynn) started following Christ at Summitview before helping to plant a church in Amsterdam in 2002. She and her now husband, Matthijs, are now missionaries in Amsterdam, primarily ministering to refugees from the Middle East.	\$1,000.00	\$500.00	\$500.00	<b>\$2,000.00</b>	8%
ISM	Nations	Thousands of students from all over the world descend on our college campuses every year, often from very hard-to-reach places. After pastoring in China for years, <b>Hongbo Du</b> is currently ministering to international college students on the CSU campus.	\$1,000.00	\$500.00	\$500.00	<b>\$2,000.00</b>	8%
Church Plant	Region	Northern Colorado is one of the fastest growing regions in the country. With so many people moving into not only Fort Collins, but especially the surrounding communities, we want to see churches multiplied to minister to these thousands of eternal souls. <b>Roger Everhart</b> is spearheading a church planting effort to the neighboring town of Severance. We are raising money to free up part of his time to devote himself to those church-planting efforts.	\$15,000.00	\$5,000.00	\$4,000.00	<b>\$24,000.00</b>	30%
Next Generation	City	The high school and college years are so pivotal and desperately need intentional investment and mentorship. Through strategic hires, we're excited to see more time and heart given to the discipleship of the next generation. Specifically, <b>Sebastien Dekleva</b> will continue to invest into our high school youth and <b>Chris Shuey</b> will be doing so with our campus ministry.	\$15,000.00	\$5,000.00	\$4,000.00	<b>\$24,000.00</b>	30%
