Missions Work	Description
East Asia Long-term Missionaries	Patrick Galligan moved with a team of three to Hong Kong in 2018. After ministering with the team for two years, Patrick chose to stay and earn a PhD at a local university and continue to support a small church in the city. In 2022, Patrick married Karina, and then completed his PhD at the end of 2023. Patrick and Karina now both work in Hong Kong while helping to lead the church and disciple young people.
Middle East Long-term Missionaries	A Summitview family moved to the Middle East over three years ago in an effort to be a light for Jesus in a very closed and hostile country.
