Acts 1:8 Plan Update

Globally: 4 out of 10 people haven't heard

Jesus? - He is my Lord and Savior.

Jesus? - No thank you.

Jesus? - He is a nice teacher, but I want to do my own thing.

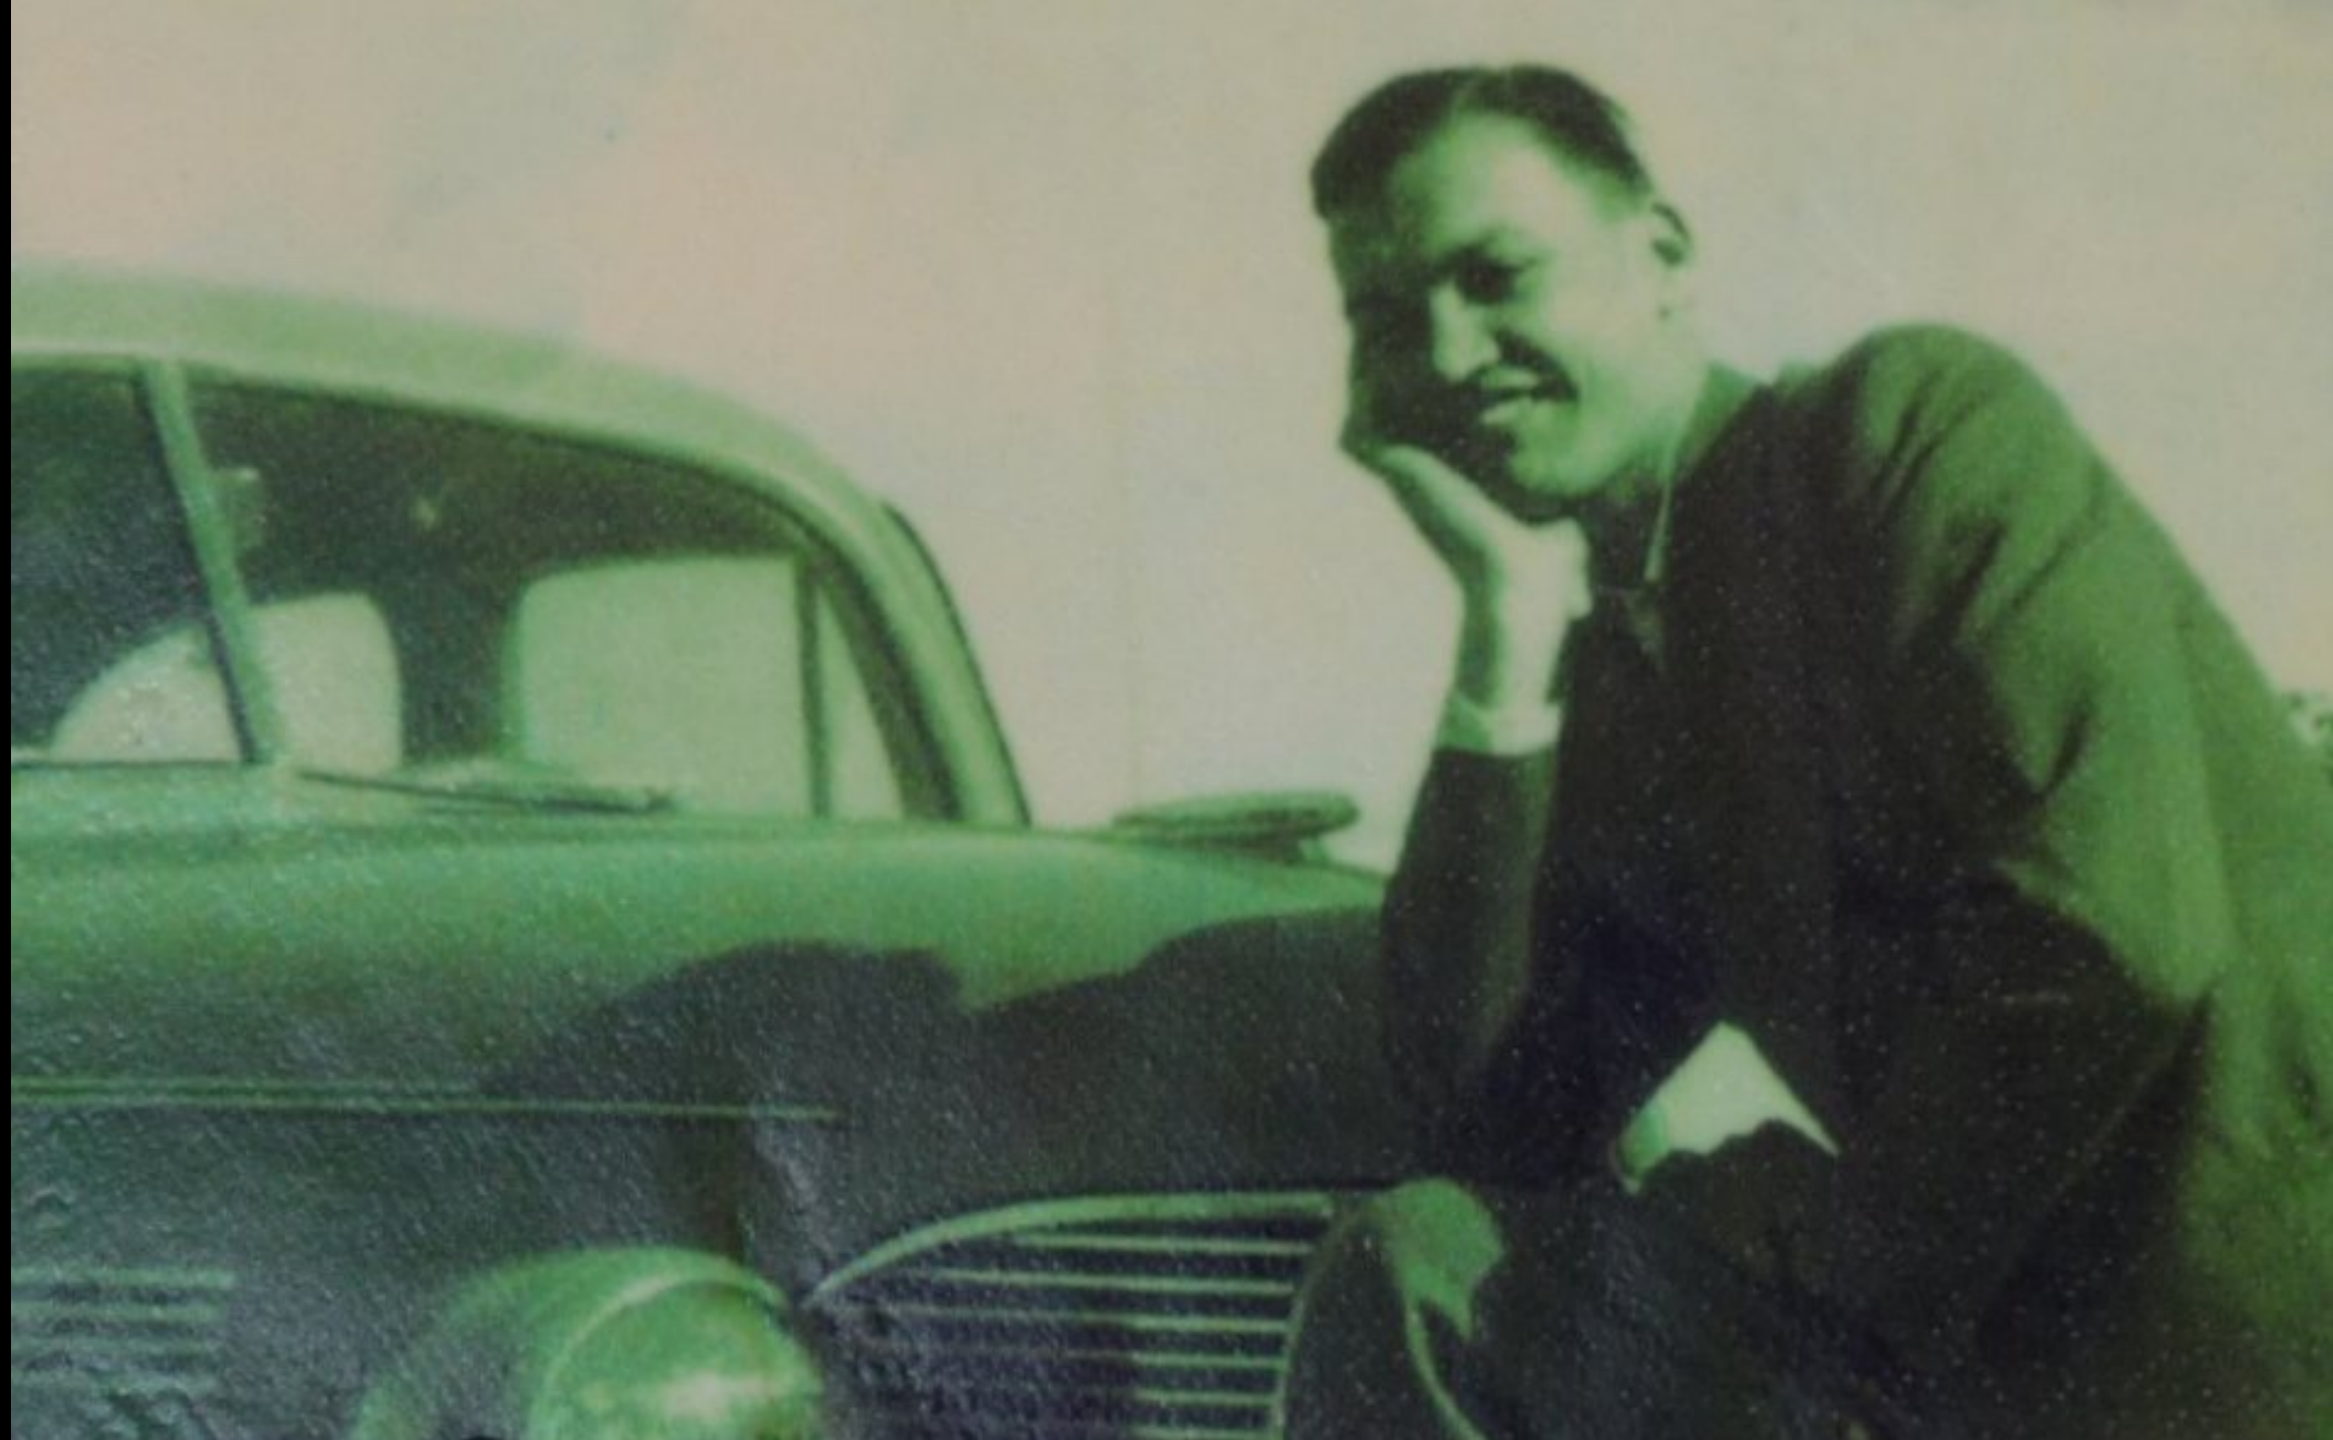

Jesus? - Who is that?

What about those who haven't heard?

...“everyone who calls on the name of the Lord will be saved.” How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent?

(Romans 10:13–15)

HOMEMAKER'S WAR GUIDE

PLAN

Plan wisely, shop carefully. Look for ceiling prices, pay no more. Wash weights and measures. Carry your own bundles. Save money to pay taxes and BUY WAR BONDS.

MEALS

Guard your health. The Government food guide recommends these essential foods for everyone every day:

MILK & MILK PRODUCTS: At least a pint a day (more for children), or cheese or canned milk.

FRUITS & VEGETABLES: In season when possible. At least one a day: oranges, tomatoes, grapefruit, raw cabbage, salad greens, green or yellow vegetables, some raw, some cooked.

BUTTER & SPREADS: are rich in vitamins and should be served at every meal.

EGGS: 3 or 4 weekly per person.

WATER: At least 6 glasses every day.

MEAT, poultry or fish: Only one serving a day.

RATIONING

MEAT: The fighting forces need meat. Make yours go further. Write to U.S. Dept. of Agriculture, Wash., D. C., for free booklet "99 Ways to Share the Meat."

SUGAR: makes gunpowder. Get free booklet "Recipes to Month Your Sugar Ration" from your Regional or State Office of Price Administration.

SPARE TIME WAR ACTIVITIES

Enroll at your Civilian Defense Volunteer Office. ADDRESS: TEL:

Many women are now working in war plants. Take their places by helping all you can in:

AIR RAID PROTECTION

AIR RAID WARDEN: Name _____ Address _____ Tel. _____

BLOCK LEADER: Name _____ Address _____ Tel. _____

PREPARE

Safety in air raids depends on what you do beforehand.

Choose a shelter room with least water wall space and few windows.

Know your local air raid alarm signal.

Assign every member of the family a specific job.

STAY HOME

The safest place in an air raid is at home.

Stay off the streets and away from all glass.

If driving, park car by curb, turn off lights, take keys, but leave doors unlocked so car can be opened. Seek shelter.

Do not telephone—you may block calls for aid.

BLACKOUT

A quick and complete blackout will help fool the enemy.

A candle light may be seen for miles from the air.

See that your shelter room can be blackout'ed efficiently so you may have light and be comfortable during alarm.

BOMBS

The enemy now uses more dangerous fire bombs.

If bombs hit your home, flood the room with a jar of water. Keep behind heavy wall, only opening hand holding hose. Crouch down as low as possible.

Keep at least 10 gallons of water on hand. Sand is no longer recommended.

BLOCK PLAN

Your block is part of the war plan for the home front.

Your Block Leader can tell you about civilian war services. In other lands, war is being fought block by block. You can fight it here.

Help your Block Leader's campaign which speed our victory.

CONSERVE

Buy only what you need. Make what you have last longer. Keep everything in good repair. Hoarding is unpatriotic.

FOOD

When you shop, ask for "Victory Food Specials" recommended by the U. S. Dept. of Agriculture. You will help save foods for our fighting forces. Last for the age.

RUBBER:

Rubber will last longer if washed frequently.

POTS & PANS

FUEL

CLOTHING

SALVAGE

FATS

All types are needed: animal, poultry, vegetable fats make explosives.

Keep in cool place. Strain through fine mesh into metal container. Sell to butcher list makes few-er bullets.

DON'T waste a bit of fat or sell kitchen fats normally used for cooking.

RUBBER

scrap of all kinds such as:

METALS

...worn out objects like these:

Tin cans are collected only in certain cities. Before saving them, check with your local Salvage Committee.

RAGS

...cast-off things like:

HOW TO GET RID OF JUNK

1. **DONATE** to community scrap collection

2. **SELL** to junk dealer

3. **BOY SCOUTS** and other organizations will help

4. **DEPT. OF AGRICULTURE**, local branch, will advise you in farm areas

* If in doubt about any point, call your local Salvage Committee * Scrap is bought by dealers, who are the only qualified agents to grade, sort, process and return it into war production channels.

* Don't call for a collector until you have at least 100 pounds of salvage material. Try to take your own scrap to local dealer or collection center. Get the children to work for Victory.

SALVAGE

Paul's Open Door for the Gospel

For I do not want to see you now just in passing. I hope to spend some time with you, if the Lord permits. But I will stay in Ephesus until Pentecost, for a wide door for effective work has opened to me, and there are many adversaries.

(1 Corinthians 16:7–9)

Paul's Open Door for the Gospel

And [Paul] entered the synagogue [of Ephesus] and for three months spoke boldly, reasoning and persuading them about the kingdom of God...[then] reasoning daily in the hall of Tyrannus. This continued for two years, so that all the residents of Asia heard the word of the Lord...

(Acts 19:8-10)
