

Missions

PLANT ~ WATER ~ GROW

2025

Hi Summitview!

My name is Becky, and I serve as a missionary in Tokyo, Japan. Japan remains a largely unreached nation, with less than 1% of the population identifying as Christian. Most Japanese people have never met a Christian, let alone heard the gospel. Our team's mission is to change that by equipping other Christians to share the gospel simply and effectively with their friends and families.

We host multiple Bible studies and have even started a church in Tokyo. I have the privilege of leading a Bible study in downtown Shinjuku, and our hope is that it will grow into a church. Please pray for my team as we continue sharing the gospel in Japan—that we would be bold and loving in our message.

Additionally, please pray for our team member Rebecca, who is currently in the U.S. undergoing treatment for stage 4 cancer, and for our team as we navigate this season without her.

Thank you for your prayers and support! I feel supported when people take the time to write greetings cards or send holiday cards to me. My address will be available at the Japan table during the Missions Campaign.

Thank you!
- Becky
