## SEVERANCE CHURCH PLANT

We are Roger and Ronae Everhart. We moved to Severance three and a half years ago with a vision to plant a church in one of Northern Colorado's most rapidly growing communities. Our mission is to reach the unchurched, offering a place where people can encounter Jesus and experience life-changing faith.

God has been opening doors and connecting us with people who may not have a church home but have a deep spiritual curiosity. Many of these relationships have come through a small fitness gym in the heart of Severance, where we've seen first-hand how God works in everyday places. Ronae is actively involved in three women's groups. Together with Lia, Liz and Jessica from church, they are building strong, faith-centered friendships. Roger is in the process of volunteering at Severance High School, mentoring students in restorative practices and career development.

Though our church is still in its early stages, we are seeing God's hand at work—building relationships, strengthening faith, and spreading the good news of Jesus. We are filled with excitement and expectation, knowing that this is just the beginning of what God will do as He grows His church!
