## Romans 1:18-19

For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who by their unrighteousness suppress the truth. For what can be known about God is plain to them, because God has shown it to them.

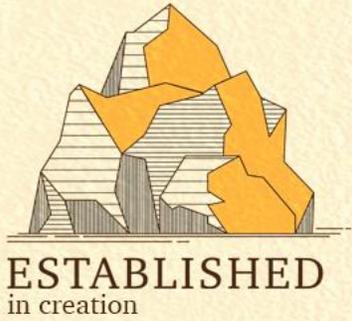

## Romans 1:20

For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse.

The Genesis 1 creation narrative reveals God  
in stark contrast to competing worldviews.

Exploring the passage and creation itself, let's glean a fresh  
view of the Creator God  
who establishes reality by His Word.
