

「私たちは父なる神とイエス・キリストから恵みと  
平安があなたに与えられています。」  
- 聖パウロの手紙 (Philippians 1:2)

Dear Summitview

My name is Becky Keith and I am a missionary to Japan. I have been serving here for almost 8 years. In 2004, I became a Christian and started going to Summitview. With Summitview, I went on many short-term mission trips from East Asia to Latin America. In 2013 I joined a trip that came to Japan. While I was here I knew that God was calling me to live here and to share the gospel to the people living here. Many Japanese have never heard about Christ and what He has done for them. When I heard and experienced this, God gave me a desire to offer the best news I have ever heard to the Japanese people. I didn't want to stay silent so God brought me here.

As always, the gospel of Christ is transforming lives in Japan! Recently a friend that I have been praying for for over 5 years has joined our Bible Study. He grew up going to Church but never had the opportunity to trust Christ with his life. We pray for one another at the end of every Bible Study and my friend was moved by that. Stating no one has ever

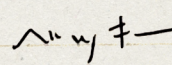

prayed for him like that in that type of setting. Since joining his relationship with Christ has grown and is starting to inform how he lives and thinks. Our whole Bible Study is encouraged by him and how God is transforming his life. There are many stories like this across Japan right now. I am overjoyed as people continue to grow in Jesus.

Thank you so much for your support and love! I am so blessed by your prayers and I am very encouraged by your faithfulness.

Please continue to pray for the <1% Christian population to boldly and lovingly share the Gospel to our friends and families. And for me and my fellow missionaries to love well and feel the presence of God.

Thank you!

In Christ,

Becky
