

To the beloved saints who are in Fort Collins, Colorado, Love + Grace to you from God our Father + King Jesus Christ. I Dusty, a laborer of Christ in the middle kingdom of Japan, that is Gifu, write to you with deep gratitude in my heart **心** + excitement to allow you know of the work that the Lord God is doing in Gifu Prefecture + the Tokei Region. I pray **岐阜県** this letter finds you well in the Lord.

In the third month of this year of 2026 I have celebrated the faithfulness of God as he has sent me + allowed me to live ~~in work~~ amongst the Japanese people for, all together, five years. He has also provided a five year extended visa. Living in the impossible to pronounce, city of Kakamigahara **各務原** I am working with a team located in different cities throughout Gifu Prefecture. We have been working together to see the ~~the~~ Great Commission, that is for all who follow Christ, the Command of the Lord Jesus which I, Dusty started to grasp more in 2011 after moving to Fort Collins + ~~joined~~ **joined** the saints at Summitview. As mentioned, the team is helping native believers to be obedient to the words of our King + working in these fields (cities) until there is no place left where the name of Jesus has not been proclaimed. **イニシアティブ**

In these last days the Lord God is turning this so-called missionary graveyard into a missionary paradise where there is much opportunity. Also where many laborers around the world are taking much time, earnestly praying for the Japanese people + taking steps of faith to come for short term trips + long term partnerships.

I have faith that you who are in Port Collins are co-laborers in the Great Commission, as you are praying & giving generously to see the Kingdom of God come to His will be done in Japan as it is in Heaven. Join me in prayer, as I enter the fields of Katamigahara asking the Lord of the harvest to till up this hard soil by prayer walking & as I sow seeds by sharing the gospel of the Kingdom, to find the outcasts & those who are on the fringes of society, helping them to understand the great love ~~of~~ of the savior who spent much time with similar people as they.

Much love to you who faithfully pray for me on Sunday mornings. Also to the young people in the Sunday School class.

Many Blessings to you at
Summitview Church

Dusty
