

*Hello church family,*

*For those of you who may not know us, we are Roger and Ronae Everhart. We first started attending Summitview Church back in the spring of 1992 when the church was meeting at the Holiday Inn on Prospect near the CSU campus. It's been such a joy to see how much Summitview has grown and changed over the past 34 years!*

*About four and a half years ago, we were asked to plant a church in Severance, about 15 miles east of Fort Collins. Like most journeys, it has come with its share of ups and downs—but lately, we've been especially encouraged as we've seen God moving in meaningful ways. We'd love to share a few highlights with you.*

*Easter has become a special milestone for us. Two years ago, a young family joined our church, and it has been incredible to watch their continued growth and transformation. Many of you have heard us share about them before, and we're so grateful to celebrate that this past year, the husband gave his life to Christ. God met him in a powerful way this winter, and it has truly changed his life from the inside out. The whole family is learning what it means to have a meaningful relationship with the Lord. We praise God for that! In addition, last Easter, another family joined us and continues to grow and experience God.*

*We have a full house every Sunday morning 29 of us gather to worship and ponder God's Word. After each meeting, we enjoy a meal and sweet fellowship with one another. Throughout each month, Roger meets with a few men individually, and Ronae is a part of a Bible Study with women in the church as well as some others. We are so blessed to have these families and individuals in our lives!*

*This past winter also marked another exciting step of faith for us as The Severance Connection hosted its very first marriage retreat. We stepped out in faith—choosing a location, putting down a deposit at a camp*

*outside Estes Park, and praying God would provide. And He did! Thirteen couples attended, and we've already seen fruit from that weekend, including one couple who has since joined our church.*

*We would love your prayers in this season. Please pray for wisdom and grace as we continue discipling several people who are walking through very difficult situations. We are asking God to meet them in powerful ways and give them the strength to walk closely with Him.*

*We would also appreciate prayer for guidance as our church continues to grow. We've been meeting in our home and have loved the beauty and intimacy of a house church setting, and we've seen God work in incredible ways through it. At the same time, we recognize that we may soon outgrow our space, and we want to remain right in the center of God's will as we consider next steps.*

*Thank you so much for your love and support. We truly could not be where we are today without you. We love each and every one of you, and we are excited for what God has ahead in this coming year. May God bless you all!*

*With much love,*

*The Everharts*
